### WHAT IS SLES?

**SLES (School Leaver Employment Supports)** is designed to help young people move from school into work. It gives you the chance to build skills, explore real work activities, or work with a Disability Employment Service Provider to find a job that suits you. Whether you have SLES funding or support through Finding and Keeping a Job, if you're in Year 11 or 12 and need help transitioning to work or further education — this is for you!
