

NDIS YOUTH EMPLOYMENT ASSISTANCE

Formerly known as School Leaver Employment Supports (SLES)

This program is designed for young people aged 15–25 to help create a successful career pathway, whether you're still in school or transitioning into the workforce.

A PERSONALISED APPROACH

We can focus on understanding your unique strengths, goals and challenges. Our dedicated Career Coaches will work closely with you to co-design a personalised employment plan that guides you towards achieving your goals.

YOUR CAREER JOURNEY

If you're ready to supplement school work experiences, obtain part-time work while finishing school, and explore what work means, we're here to help.

EMPOWERING YOU FOR SUCCESS!

We are here to help you in your work discovery to build essential foundation skills for work and to connect you with other agencies when you leave school, such as your local Employment Service. We are here to journey with you to successfully obtain or retain employment.

ELIGIBILITY

If you have a current NDIS plan that includes Capacity Building – Finding and Keeping a Job, Employment Assistance, or School Leaver Employment Supports, we can help. If not, and you'd like this added to your plan, speak with us, and we can provide you with a quote to take to your next NDIS planning meeting.

PLUS! We can help you develop work skills in employment settings and assist with training to build specific vocational skills, which can then be applied in the workplace. If appropriate, we can also partner with your Employment Service provider to help you secure employment or provide ongoing support.
