

SCHOOL'S OUT, Skills are in!

Want to make the most of the July school holidays – and enjoy it too?

Our specialised in-person sessions are designed to build confidence, practical skills, and real connection in a supportive small group setting. With only four participants per group, you'll enjoy personalised support in a fun, relaxed learning environment.

CAREER PLANNING & JOB APPLICATIONS

4 Face-to-Face Sessions Across Two Weeks 10am start
Tue 1st July | Thu 3rd July | Tue 8th July | Thu 10th July

Comprehensive career development program covering personal strengths identification, career exploration, resume writing, and application skills. This multi-session program builds the complete toolkit for employment success.

- **NDIS Registration Groups:** Assistance to Access/Maintain Employment, Development of Daily Living Skills, Group/Centre Based Activities

VR WORKPLACE EXPLORER

Friday, 4th July

10am start

Explore different workplaces through virtual reality! This immersive experience allows participants to virtually visit various workplace environments, understand different job roles, and identify preferences in a safe, supportive setting.

- **NDIS Registration Groups:** Assistance to Access/Maintain Employment, Development of Daily Living Skills, Group/Centre Based Activities

VR INTERVIEW SIMULATOR

Wednesday, 9th July

10am start

Experience job interviews in virtual reality! This innovative session allows participants to practice interview skills in a realistic but low-pressure environment.

Participants receive real-time feedback and can try different approaches to build confidence.

- **NDIS Registration Groups:** Assistance to Access/Maintain Employment, Development of Daily Living Skills, Group/Centre Based Activities

Participants can use their NDIS funding under the registration groups listed with each session.

With just 4 spots per session, these holiday programs fill quickly!

LOOKING FOR CUSTOMISED OPTIONS?

If your participants have specific goals or needs, we can help.

Whether it's a private session or a customised option, we're here to make it work for you.

Let's chat about how we can tailor our programs to suit your pathway.
