

FINDING AND KEEPING A JOB

Registered NDIS Provider
REGISTRATION ID: 4-FZPWZQZ

we can help you GET JOB READY

As a registered NDIS Provider, Designer Life can work with you, either one-on-one, or through group work. Our support focuses on capacity building aimed at creating pathways that will help you to get into the workforce and build independence through a career.

Helping you find a pathway suited to you, one you can achieve and sustain

Whether it's through NDIS Finding and Keeping a Job support, Disability Employment Services, State Government programs, social enterprises and volunteering, there are many pathways you can take to get into the workforce and find the right job for you.

Your NDIS Trainer can work with you to explore the best support available to you to meet your goals.

Everyone's NDIS journey is different

Many things factor into the funding you receive in your NDIS plan. The best thing you can do is be as open as possible about your employment goals in your planning meeting with us.

If you receive Support Coordination, you can also talk to your Support Coordinator or your Local Area Coordinator about how the NDIS can support you to find and keep a job. Your Support Coordinator can also help you find the right organisations and people to support you.

If you choose Designer Life to assist you with your employment goals, we will provide you with a dedicated Career Coach, as well as career and job search training, which can be particularly useful when looking for work.

We will work with you

Our NDIS Trainers are knowledgeable about the local labour market and will work with you to open up as many opportunities as possible, giving you choices and access to varying supports, including life and work coaches, private recruitment specialists, career counsellors and employment mentors who are sole traders, self-employed or independent.

You can find out more about getting ready for work in the *'Let's talk about work'* booklet on the NDIS website. www.ndis.gov.au

We're here to help!

For more information and help exploring your options, contact our friendly NDIS team.
