

SCHOOL LEAVER EMPLOYMENT SUPPORTS

Registered NDIS Provider
REGISTRATION ID: 4-FZPWZQ2

we can help your TRANSITION TO WORK

Designer Life is a registered NDIS provider and can provide you with support to enter the workforce, including career guidance and help to build your workplace skills.

School Leaver Employment Supports (SLES) are available to NDIS participants who are:

- in their final school year
- have recently left school (generally up to age 22).

Through SLES, participants will receive supports for up to two years, focused on improving employment opportunities by getting you work-ready.

If you have SLES as part of your NDIS plan let us help you make the leap into work.

Designed to meet your individual employment goals

Your supports may include:

- Digital literacy skills
- Money handling training
- Attaining learner driver's licence
- Short courses
- Work experience volunteer work
- Communication and working in a team training
- Job-specific technical skills

If you are post-school and have employment listed as a goal in your NDIS plan and want to find and keep a job, we can also support you to take the right steps, at the right time.

Everyone's journey is different

We recognise that you are unique and we will work with you on your pathway to employment by:

- Helping you determine the type of work that is right for you
- Working with you to develop practical life/job skills
- Building your confidence to enter the workforce
- Creating an individual program of supports

We want to help you find a job you like and keep it

You can find out more about getting ready for work in the 'School leaver employment supports' booklet on the NDIS website. www.ndis.gov.au

We're here to help!

For more information and help exploring your options, contact our friendly NDIS team.
